Once on campus, to get to the Student Services Building...
Turn right into the Northeast State campus (at the brick gates). Bear to the right and stay on that drive past the first building on the left. Then you will pass the 2nd building on left (Wade Powers’ Math/Science Building). At that point, make a left and you will be able to park in this area. The meeting will take place in the Student Services Building (building adjacent to the Wade Powers Math/Science Building). There isn’t a room number for the meeting since it is located in the main dining area of the Student Services Building.
Alternate Directions:
Here are simple driving instructions. Enter at our new main gates. Just before the stop sign is a sign saying that visitors are to check in at Security to get a visitors parking pass. At the stop sign is a left pointing arrow to Campus Information. Turn left and proceed to the next stop sign. Then turn right and park as soon as you can. Enter at the CAMPUS INFORMATION sign, which leads you immediately to Security. They will give you a parking pass for your car's dash and tell you how to find the Courtyard dining area.
