Dear Faculty Member:

My name is [redacted] and I am currently involved in a class project in Dr. Juhan's higher education topics course. I am asking twenty faculty members to fill out the enclosed survey. The survey is about the components of tenure and is completely anonymous. I am also asking that the surveys be returned to me no later than Tuesday, April 23rd. I have enclosed a self-addressed envelope to be returned to me via campus mail. If you have any questions I can be contacted at 376-4090. Thank you very much for your time and cooperation.

Thank you,

Kristen Berney
