Communications
We still need pictures from Homecoming for the UVa-Wise 360° open house that is coming up. We also need to reserve a table.

Holly Ball
Tim: It’s going to be on the 7th or 8th of December. The DJ has been hired already. The theme is “Blizzard Blast”. SGA members are needed to help volunteer.
Winter Spirits
Chris: The cold weather is moving in so, ideas are being constructed.
Jekeyma: The Christmas lights are in storage, so we can use those.

Jam-4-Man
Cody: I’m working on setting up a survey for feedback to help get started after the break.

Unfinished Business

Rugby Team
There is an updated constitution. Rugby was discussed as an intramural sport, but it wouldn’t be a good idea. Intramurals would provide the ball.
Jekeyma: A waiver form is needed. See me after the meeting. Rugby will be tabled once again.

Residence Hall Association
David Compton (RHA representative): Here is an updated budget sheet. A Greyhound bus will be taken for transportation, and the registration fee had decreased. We are now asking for $2,095.
Travis: There’s a little over $4,000 in the budget, and we should get some return from the Regional Leadership retreat. We should have about $2,600.
Bakarr: Motion to allocate $2,095 to RHA for conference.
Sean S.: Seconds the motion.
Bakarr: Maybe we should be a little critical and give $1,500. We only got $250 returned and are we suppose to pay for those supplies?
Travis: The general funds money has already been appropriated for our events, so we shouldn’t feel strapped.
Fealita: Can we pay for the banners?
Jekeyma: Yes.
Tim: We should give them the amount.
Elena: The conference will bring more than fun back to the campus.
Meron: How will it be brought back to the school?
David: The majority of the programs are brought back from the conference.
Jekeyma: A lot is brought back. So we still have a motion on the table.
*motion passes*
Cody abstains.
Cheerleaders
There are no representatives for the cheerleaders.

New Business
There is no new business.

Open Forum
Bakarr: I would like to introduce Gabe Bralley.
Gabe: There is nothing to do on Fridays at Wise. We could have an UVa-Wise dedicated athlete with food and music that can provide scholarships.
Jekeyma: Is it charged?
Gabe: They would work hard for $2-4 dollars.
Tim: It would be good to start a scholarship.
Jekeyma: Does it have to go to charity?
Loven: Yes. It would be like how our fraternity events.
Elena: Does he need to have an organization for this?
Bakarr: Would we have to pay for it?
Travis: He wouldn’t be funded. It is a good idea.
Jekeyma: I suggest meeting with Chris Davis and work on a constitution. Also, check with Chartwells for the food.
Gabe: I just want to do this for the school.
Cody: This might be an organizational fundraiser.
Travis: Get with Chris for the school finances.

Elena: E-mail any homecoming pictures that you have to me.
Bakarr: I need pictures too. I’ll be working on the board with Luke.

Travis: After the RHA allotment, we have about $2,500 in the general funds and $4000 in the operating funds.  
Elena: Do funds transfer over every year?
